

Badger's Boma provides an opportunity to bond, share, entertain and be entertained, a cultural celebration, a feast of some sorts and the perfect opportunity to indulge. A unique outdoor area under the African stars, where special tribal dining experiences are hosted. Feel at one with nature in an African boma where bonfires are lit to create that unforgettable ambiance and is the perfect place to experience that true African Braai "Barbeque".

MENU

Celebrate and enjoy hearty food prepared by our Chefs on open coals, whilst you relax and enjoy the warm inviting heat from the open fire and share special memories with special people.
